It's a great day to be a Bulldog!

April 2019

Bowling teams compete at state, again!

by Harlie Bates

The LCHS bowling team had another successful season, qualifying for state again. The girls placed second at state with Lexi Schroeder finishing seventh individually. The boys also qualified for state, placing eighth.

The team went undefeated. The girls' team had a high series of 3,084, and the boys' team had a high series of 3,218.

Evan Berkenpas broke the high series for total pins in a season with a 513 series record for the highest score. He was named team MVP.

The girls' team MVP was Lexi Schroeder.

All-district first-team honors went to Lexi Schroeder, Kaitelin Konz, Alison Zimmerman, Sydney Schoenfelder, Evan

Berkenpas, and Lane Poulson; second-team honors were won by Samantha Schiefen and Brady Poulson.

Schroeder and Konz were named first-team, all-state; Zimmerman was named second-team, all-state.

Most improved awards were earned by Samantha Schiefen and Nathan Marsh.

Most student bowlers love the sport. Many joined because their friends convinced them how much fun it is.

Senior Aly Buhman said, "I was asked by (2017 grad) Kelli Susemihl to join, and I have loved it ever since."

Junior Evan Berkenpas states, "I bowl because my friends were in it and they asked me to join."

Junior Sydney Schoenfelder

"loves the people she gets to hang out with." Her positive attitude helped her earn the Spirit Award for the team.

Kaitlin Konz, the only freshman on the varsity girls team and a top freshman bowler in the state, joined because she "loves the team and the people."

Junior Jordan Presnall explains, "I love the energy of

playing with the team and the feeling after bowling a strike."

Many say their favorite part about the season was the Council Bluffs meet.

Kellie Bork, the head coach of the team states, "I became coach because I love a competition and watching the kids improve to get better."

Gary Brady, assistant coach and bowling alley owner,

states, "The team is amazing because they are a team; they don't single each other out; they are not just individuals. They had a fantastic year."

Gail Swanberg also coaches the team.

The team traveled to Spencer, Ida Grove, Hawarden, Remsen, and Council Bluffs.

Meet the new newspaper and yearbook staff

by Anna Mae Lee

This semester the *Bark* and *Dog Pound* are staffed by twelve seniors and one junior: Isabel Aduddell, Harlie Bates, Sierra DeBoer, Hanna Francksen-Small, Abby Foster, Kory Kass, Gabby Keunen, Brianna Kibby, Shai-Lyn Klingbeil, Anna Mae Lee, Damion Manning, Ashley Neyens, and Majessa VonHagel. These "fab 13" are led by adviser Sherri Permeswaran.

This class consists of putting together the *Bark*, writing articles for *The Dog Pound*, and for a fun twist, taking walks or a field trip to the "secret stairs" in order to gather research for Neyens'

upcoming article.

Although the class is geared mostly toward seniors, occasionally a junior or two sneaks into the class, as Bates did.

Seniors lucky enough to take the class for the whole year may become editors like Aduddell, Foster, and Lee. Foster enjoys her position as editor because she gets to say things like, "I am a higher rank than you. Damion, get over it"

Kibby enjoys being able to create a yearbook page how she likes and going out and taking pictures at events.

Bates also likes "taking pictures and making cool yearbook pages."

Along with many other staff members, Klingbeil favors the atmosphere of the class and how everyone helps each other out.

Foster said, "This semester I have the honor of editing the yearbook and newspaper. I really enjoy making decisions

that will better our projects aesthetically. It is also fun to dig in and look at everyone's responses, senior quotes, and pictures that others do not get to see."

While most staff members would not change a thing about the class, Kass would prefer a

more equal guy-to-girl ratio, and VonHagel would extend the due dates to lower the demands of this high-speed class.

Likewise, Bates would take away "the stress of doing the newspaper and trying to talk to people about stories."

Francksen-Small wishes LCHS had a "separate class for yearbook and a separate class for news writing."

This class does have challenges; it pushes students out of comfort zones and helps them get to know classmates on a personal level. However, the staff encourages others to sign up for this rigorous and entertaining elective class.

Life at LCHS

Students enjoyed winter, but ready to move on to spring

by Isabel Aduddell

Rolling into April, the chilly winter weather continues to haunt the citizens of northwest Iowa. Just as the temperature starts to rise enough to get everyone’s hopes up for a warm and sunny slide into summer, that hope is met with a reality of a “wintery mix” and near freezing temperatures.

Trying to gauge the general feeling of LCHS students and teachers, (for the sake of science), the newspaper staff sent out a survey.

To no one’s surprise, most respondents said their least favorite part of this winter was the below freezing temperatures and the dangerous icy conditions.

Even though the average temperatures this winter were warmer than usual, the polar vortex, when wind chills reached 75 degrees below zero, is what most people remember.

Though LCHS folks did not enjoy the cold, 74% said they did like the snow.

Freshman Logan Ostermyer’s favorite winter activity was going snowboarding; on some snow days he also enjoyed hunting, building snow forts, and sledding.

Similarly, freshman Lauren Duhn had fun sledding, in addition to ice skating, looking at winter decorations, drinking hot cocoa, watching snow-day movies, and decorating the house seasonally.

Senior Abby Foster’s favorite winter activity was watching

the snow fall in front of the street lights at night outside her home. However, she did not at all enjoy scraping and defrosting her car windows.

Senior Bryce Timp agreed that while he also hated scraping the ice off his car windows, he did enjoy afternoon snowball fights with friends and building snowmen.

Senior Nicole Betsworth said she appreciated being able to see the tracks of animals in the fresh snow when hunting.

She also claimed to be an ice skating enthusiast.

While senior Abby Duhn said she is a snow enthusiast, she preferred spending the cold days inside with her family. “I do not like winter because the roads are way too icy, and I’m too bad a driver,” Duhn stated.

Some people loved winter, and some hated it, but most Bulldogs are ready for summer. Until summer is completely here, bundle up and stay toasty, friends.

Seniors take pictures to mark graduation

by Abby Foster

Many milestones in a lifetime are captured by photos. However, some believe none are quite as important as senior pictures.

With changing times, senior pictures are evolving to be more personal, unlike the glamour shots of the 1980s.

Today, many seniors get their pictures taken by professional photographers; others have a parent or friend

take their pictures on a personal camera.

Seniors at LCHS are getting ready to hand out their pocket-sized pictures to friends and family as their school days come to a close.

Most seniors, like Lexi Schroeder, took their photos different places around town. Schroeder had hers taken at the golf course, bowling alley, the ball diamond bridge, and

Stone Park in Sioux City.

Others went far and wide to take their pictures. Nicole Betsworth said she took hers in exciting places like California and South Dakota.

Schroeder and Betsworth both agreed that the best parts of their pictures are the locations.

All seniors interviewed said they wore 4-5 outfits for their shoots and picked

their photographers based off previous work.

Anna Mae Lee’s favorite part of the experience was being able to have pictures of herself taken, adding, “Yeah, that sounds really conceited, but oh, well.”

In contrary, Matlyn Krogman refuses to give out any of her pictures because she does not like the way her makeup looks and claims the

only reason she took pictures was because her mom forced her to. In her frustration she said, “I don’t even look like myself in them.”

Betsworth, however, took senior pictures to be able to look back at when she is old.

Lee advises students, “Take senior pictures because you are not always going to look this good.”

Boys’ b-ball season remembered

by Brianna Kibby

The boys’ basketball season ended when the team fell to Spirit Lake, 45-61, in the first round of tournament play. The team was coached by Dave Irwin, Gabe Davis, David DenHerder, and Benji Kasel.

The boys ended with a season record of 13-11 overall and a league record of 10-4; the Dogs tied with Western Christian for the Lakes Conference title.

The team had four seniors: Alex Irwin, Andrew Schwartz (manager), Josh Williams, and Austin Wurth. Ten underclassmen also played varsity.

The toughest team faced all year, according to Junior Tate Westhoff was Heelan. Westhoff explained, “We had

to really figure ourselves out as a team. After that game, it changed our season.”

Some memories will be cherished for years down the road. Sophomore Alec Dreckman’s favorite memory is “when Austin Wurth smashed his hand in the chair.”

The boys’ season did not end the way they wanted it to, but Westhoff said, “With the team being very young, it will make for many great seasons to come for the boys’ basketball program.”

It is very hard for the boys to say goodbye to their seniors, but sophomore Spencer Mackey says, “We are all looking forward to doing great things in the future.”

Students, staff long for spring break

by Ashley Neyens

Spring break is a vacation period at universities and high schools, normally during February, March, or April.

Spring break at LCHS is around Easter. This year spring break will run April 18 through April 22.

What people choose to do over spring break varies from person to person. However, most students and teachers are pretty excited for spring break.

Sophomore Kylie Dreckman said, “I am totally pumped for spring break! I plan to binge watch Friends.”

Associate Principal Neal Utesch said, “I am looking forward to spending quality time with my family over

spring break, I also hope all the snow is gone by then!”

Junior Derek Anderson said, “I am going to sleep in and play video games.”

Sophomore Payton Marienau said, “Spring break will be great because I have softball tournaments that weekend.”

Instructional Coach Cliff Collins said, “I am certainly excited for spring break. I will be coaching my track stars and hoping for good weather.”

Freshman Kylie Biggs said, “I am so pumped for spring break! I will be traveling to Omaha to spend Easter with my family.”

Teacher Tiffany Wright said, “I am very excited for spring

break. I will be doing yard work and taking naps.”

In contrast, others are not excited about time off. Sophomore Anna Sullivan said, “I am not looking forward to spring break because I have to get my wisdom teeth out.”

Senior Abby Foster said, “I think spring break is a waste of time because there is nothing fun to do around here.”

Although Spring break is supposed to be a relaxing time, almost half of the people who were surveyed said they have to work over spring break.

Regardless of how people spend their time off, it is still nice to get away from school and relax for a few days.

Seniors finish competitive swimming careers

by Kory Kass

Cody Ott and Landon Parmelee are two seniors who competed on the Sioux City Spartans swim team.

Parmelee explained, “The season went well overall. We started off a little slow, but after a few meets, we were ranked pretty high in the state and ended up breaking five school records.”

The Spartans placed 10th at state out of 38 teams. “Placing that high was very special,” according to Ott.

Competing in the 200 yard medley relay, the 50 yard freestyle, 100 yard

breaststroke, and 400 freestyle relay, Ott has been part of the Spartans for four years.

“My greatest accomplishment is competing at state with my teammates for the last three years,” he said.

Ott set the record for the 200 medley and 400 freestyle relays and podiomed at state. Individually he set a new school record in the 100 breaststroke, which placed him 7th on the podium.

Parmelee has also been with the Spartan swim team for four years. He competed in the 100 butterfly, 100 freestyle, 200

individual medley, 200 medley, and 400 freestyle relays. He swam both the 200 medley relay and the 400 freestyle relay at state.

After high school both Ott and Parmelee plan on going to college. Ott hopes to attend SDSU for engineering. He has also enlisted in the South Dakota Air National Guard. Parmelee plans on attending the University of Northern Iowa for a biology degree on a pre-med path.

Neither intends to swim competitively in college.

Dalton wins tennis coaching award

by Majessa Von Hagel

LCHS tennis coach Bill Dalton recently was presented with the Boys Tennis Coach of the Year Award for 2017-2018.

The award was from the National Federation of State High School Associations. He was nominated by Alan Beste, the Executive Director of the Boys Athletic Association of Iowa.

The nomination took place in the fall of 2018. Only 24 coaches in the whole country won the award.

Dalton was “very grateful for this delightful honor of receiving such an award.”

He felt very humbled by winning, explaining, “There are a lot of coaches that deserve that award. I really want to mention all of the players that were a part of this; there are too many to mention, but a big shout out to all of them.”

Coach Dalton was notified by mail two weeks prior to being personally given the

award at a ceremony during a home basketball game. Dalton said, “This event was very big for me. It made me realize why I put in all the hard work with my players on the tennis court.”

Dalton said that he has worked very hard in his coaching tennis career because of his players’ love for the game and the team. He said their work ethic helped make this happen.

Check out the spring play!

The LCHS Drama Department will present The Greek Mythology Olympiaganza on Thursday, Friday, and Saturday nights this week. Show time is 7 pm in the Little Theatre.

Seniors! Submit senior profiles ASAP!

Check school email for the link or contact Mrs. P.

Netflix preferred to Hulu

by Sierra De Boer

Like millions of people around the world, LCHS students and staff spend a lot of time watching shows and movies from a subscription Internet streaming service. Two of those services include Hulu and Netflix.

Hulu provides live television and Hulu TV. Last fall, Hulu reached a million subscribers. Hulu is cheaper, especially for college students, but the regular service has commercials, and it is only available to people in the United States.

On the other hand, Netflix provides content that can be downloaded and watched on the go. Netflix also provides Netflix Originals and does not have commercials. Netflix has nearly 140 million subscribers worldwide.

Beth Collins and Amy Davis both prefer Netflix to Hulu. Both said they started watching because of their children.

Vice-Principal Neal Utesch said he has been watching Netflix for three years and has never branched out to Hulu. He enjoys Netflix Originals and the selection of horror movies.

When not chasing down students, he can be found watching his favorite shows with his dog.

Senior Isabel Aduddell likes Hulu better: “It has Hoarders and the good seasons of Storage Wars. Netflix only has the knock-off Storage Wars.”

Willow Olsen voted for Netflix arguing, “Netflix has no commercials.”

According to a recent LCHS survey, 72% of respondents refer Netflix, with “no commercials” being a huge factor in the decision making.

The most important thing to consider while choosing Netflix or Hulu is what shows are provided for the user’s interest.

Netflix has become more TV-oriented. Netflix Originals have been very common in the past couple of years. Students state that the originals are one of the reason they voted for or against Netflix.

Junior Naomi Kinney likes Netflix much better “because it has the original and best Charmed!”

Ty Potter argued for Hulu “because Netflix has more originals than regular shows.”

LCCHS FFA Chapter has another event-filled year

by Gabby Keunen

The LCCHS chapter of FFA has had a busy year.

FFA is a nation-wide organization whose goal is to make "a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education." To reach this goal, each local chapter "strengthens the confidence of agriculture students in themselves and their work."

The LCCHS chapter has a new leader this year. Danielle James took over when long-time ag teacher Brett Oetken retired last spring after 27 years at LCCHS.

James has taken her students on field trips to the

the holidays. Hopefully the FFA Chapter going there to do activities will encourage other people and clubs to go and do the same thing."

Seven students represented the chapter while attending the National FFA Convention in Indianapolis, Indiana: Jorden Berkenpas, Jaiden Davison, Mia Haage, Kaleb Koerselman, Camden Schroeder, Kerstin Thoms, and Braden Utesch.

Another project this year has been using hydroponics to grow fresh flowers and veggies. FFA members harvested the produce for the high school cooks, who used it in the salad bar options for school lunches.

National FFA Week was February 16-23. During this week, the LCCHS chapter

Another favorite activity has been creating a "petting zoo" in the shop. This little farm has two piglets, a calf, chicks, and three lambs. The animals helped give hands-on learning with newborn livestock and incubated chicken eggs.

FFA adviser Danielle James explained, "We came up with the idea while cleaning and reorganizing the shop over winter break. We have welding booths which were not being used; they worked out perfectly to be converted into animal stalls."

On Saturday March 2, 2019 the FFA competed at districts. Two teams immediately advanced to state: Jaiden Davison and Kerstin Thoms in Chapter Program (with technology help from Jaycee Davison); and Zach Gazafy, Mia Haage, Andrew Murra, Samantha Schiefen, Madison Sargisson, and Layla Searl in

National FFA convention in Indianapolis, the Plymouth Dairy Farm, the Peterson Farm convention, the Iowa Pork Producers Association's Pig-to-Plate Event, and the Iowa State Farm.

One popular FFA activity this year was visiting the Assisted Living Residence in Le Mars for a Christmas party. Members had a cookie decorating contest with residents, played charades, and chatted about the good ole' days.

Senior Jaiden Davison said, "It really touched my heart getting to go and get to know the elderly people and do activities with them. I think all of them appreciated us going there especially around

Experience the Action.

Jaiden Davison states, "We were the last ones to present, ...but we went into the competition room where there were three judges watching us and our presentation went smoothly. We both thought that was the best we have done with presenting. We were both really nervous as to what we would place and if we would

make it to state or not."

"When it was time to get the results we got super nervous. When our career development event (CDE) came up on the screen going through the bronze and silver, we didn't

looking forward to state, and I think we will do great!"

Other awards given at districts went to Kiley Allan who earned Gold alternate in Public Speaking. Wade Fisher received Silver in Creed Speaking, and Damion Grasz got Bronze in Chapter Website. Christian Koch and Brandon Rogers competed in Ag Mechanics and finished 5th

and 21st respectively out of 48 individuals.

Other groups who will go to state include the following: Chapter Exhibit with Jaycee Davison and Hannah Pippett; Farm Business Management

see our chapter name up there, ...and then gold came up and our name was on top of the list.

"It was a moment I won't forget because making it to state is an honor, and for us to get first place at both sub-districts and districts just shows how much dedication we put into our CDE project. I couldn't be more proud of us and how we did. I'm really

Team with Kaleb Koerselman, Claire Ohlrichs, Camden Schroeder, and Brayden Utesch;

Recipients of the Iowa Degree: Zach Gazafy, Christian Koch, Kaleb Koerselman, Claire Ohlrichs, Camden Schroeder, and Brayden Utesch.

State Convention is April 14-16.

Wrestling team ends successful season

by Hanna Francksen-Small

As the wrestling season of 2018-2019 closed, head coach Shane Hessenius was pleased that his wrestlers had improved throughout the entire season. The team's dual meet record was 18-3.

The team placed 1st at the Hinton Duals and 2nd at the Le Mars Invite. At Heelan they finished 4th, and at the district tournament they placed 3rd.

This year the wrestling team had four girls participate: senior Claire Ohlrichs, junior Jacenta Sargisson, and sophomores Jaycee Davison and Josie Matgen.

All four girls competed at the first ever Iowa girls state tournament in Waverly, Iowa. Sargisson placed 1st at the 170 pound bracket; Ohlrichs and Matgen finished 4th.

The team made regional duals this year. To qualify for regionals, the team had to be ranked in the top 24 teams

in the state of Iowa; Le Mars was ranked 19th. The 3A head coaches across the state of Iowa do the rankings each year.

Regional Duals were in Fort Dodge in February, where Hessenius explained, "We wrestled well, but we need to see more 3A opponents like that in the regular season in order to be able to compete and win at that level."

One of Hessenius's favorite duals was against SB-L early in the year. The Dogs were able to beat the team for the first time in many years.

Assistant coach Paul Fisher's favorite duals were the home matches.

One of the toughest opponents for Le Mars was Emmetsburg. "They were a very good team that did the little things right," according to Hessenius.

The district tournament

went very well sending two LCCHS wrestlers to the state tournament: junior Jake Francksen-Small at 152 pounds and senior Travis Theisen at 220 pounds. Both wrestled very well at state, where Theisen placed 4th.

Theisen, who started wrestling in 8th grade, said his "favorite part of wrestling is the relationships you make with your teammates and coaches."

Senior Robert Sadoski started wrestling just last year, but he also loves the sport: "My favorite part is the amount of work and dedication it takes to be good. It is a team sport, but you cannot be carried. When you step on the mat, it is you and the other guy. Either you are the better man or you are not."

Senior Matt Sauer started wrestling in 7th grade. Matt explained, "I love wrestling

Jaycee Davison, Claire Ohlrichs, Jacenta Sargisson, and Josie Matgen competed at the first-ever Iowa girls state wrestling tournament.

because it is a bunch of guys fighting together through adversity to try and become the best we possibly can."

Junior Jake Francksen-Small has been wrestling since he was about 5 years old. His favorite part about wrestling is the journey: "You have to do many little things each day to get better."

Junior Brenick Hoppe likes

wrestling because he can throw people around on the mat.

Coach Hessenius also loves wrestling and is looking forward to future teams: "With the up and coming success of the Le Mars wrestling program, the wrestlers know how to get it done on the mat. As an individual on the team, they know that any opponent can be beat at any time."

Front 1 to r: Daniel Hinds, Dakota Olsen, Jason Sudtelgte, Delijuan Perkins, Dylan Carlsen, Robert Sadoski, Matthew Sauer, Travis Theisen, Mason Mohr, Colton Hoag, Jake Francksen-Small, Drayden DeBoer, Jackson Sudtelgte, Blake Dirksen; 2nd row: Josie Matgen, Claire Ohlrichs, Logan Ostermyer, Aaron Johnson, Carter Stinton, Kaden Ostermyer, Brenick Hoppe, Jacob Singer, Max Aduddell, Jacenta Sargisson, Jaycee Davison, Kerstin Thoms, Maryka Murfin; back: Hannah Pippett, David Frank, Andrew Murra, Austin Anderson, Mitchel Schilmoeller, Eric Isebrand, Riley Sadoski, Scott Ferguson, Clayton Luschen, Mark Auyon, Jack Johnson, Justin Otto.

Name: Anna Mae Lee
 Parents'/Guardians' names: Bob and Kelly Lee
 Plans after graduation: Attend the University of Nebraska-Lincoln to major in Elementary Education.
 Describe yourself using one word: "Likeable"
 Senior year activities: *Bark Staff, Dog Pound Staff*, Editor of Yearbook and Newspaper, and College English Club
 Where do you see yourself in 10 years? Teaching at an elementary school, probably married with at least one kid
 What is your proudest accomplishment? Moving to Iowa halfway through high school and adapting well to my new surroundings.
 What is the biggest obstacle you have had to overcome? Moving away from my childhood home before my junior year.
 What advice would you give to underclassmen? Step out of your comfort zone, and be friends with everyone.
 What is your favorite high school memory? Friday night lights
 What is the best thing about LCHS? The small town feel, feeling like you know everyone when you walk through the hallway.
 If you could change something about LCHS, what would it be? The senior lounge, I would make it more boujee by adding couches, TVs, and a fridge.
 What are your pet peeves? Slow walkers, talkers, drivers ...basically slow moving people

Name: Andrew Schwartz
 Parents'/Guardians' names: Carl and Melinda Schwartz
 Plans after graduation: Attend college
 Describe yourself using one word: "Loud"
 Senior year activities: Football and Basketball Manager
 Where do you see yourself in 10 years? Working and hanging out with Kadin
 What is your proudest accomplishment? Basketball in Sioux Falls
 What is something no one else knows about you? I have one kidney.
 What is the biggest obstacle you have had to overcome? The deaths of my Grandpa Roman and my Aunt Kelly
 What advice would you give to underclassmen? Take it serious, but have fun; it doesn't last forever.
 What is your favorite high school memory? Basketball
 What is the best thing about LCHS? Student section
 If you could have one question answered, what would it be? Why do underclassmen get to park in the parking lot?
 If you could be any animal, which animal would it be? Me: because I am just that good.
 What/who is your favorite musical group/musician? Guns and Roses
 Which movie is your all-time favorite? Why? SpaceBalls: May the Schwartz be with you...that's why.
 If you received a million dollars, what would you buy first? A new car and Kadin Woodard a truck and my grandpa's house from him

Name: Danielle Rolfes
 Parents'/Guardians' names: Jason Rolfes, Angel Anderson
 Plans after graduation: Attend college
 Describe yourself using one word: "Complicated"
 Senior year activities: Chamber Choir, Solo and Ensemble Contest, Calc Club, College English Club
 Where do you see yourself in 10 years? Teaching high school students, married
 What is something no one else knows about you? I have no self-confidence, even though I portray myself with it.
 What is the biggest obstacle you have had to overcome? It was learning to be okay with myself and not worrying about what everyone thinks.
 What is your favorite high school memory? Moving here.
 What is the best thing about LCHS? The music program and the families I gained with the activities I was in.
 What are your pet peeves? Loud gum chewers, off pitch singers, cocky people, when girls put their long hair over their chairs and onto my desk.
 If you could invent something that would it be? A cure for Fibromyalgia
 What/who is your favorite musical group? Definitely Panic! at the Disco
 What movie is your all-time favorite? Pretty Woman: it shows people that you can be a low person in society but still make your way up the ladder and become something great.
 If you received a million dollars, what would you buy first? A brand new house for my mom

Name: Kadin Woodard
 Parent's name: Don Woodard
 Plans after graduation: Attend college with Andrew Schwartz
 Describe yourself using one word: "Loud"
 Senior year activities: Track
 Where do you see yourself in 10 years? Working and hanging out with Andrew
 What is your proudest accomplishment? Breaking almost all of my records at state last year
 What is something no one else knows about you? I can walk on my hands.
 What is the biggest obstacle you have had to overcome? Surgeries
 What advice would you give to underclassmen? Enjoy school.
 What is your favorite high school memory? State track
 What is the best thing about LCHS? Track
 What are your pet peeves? People who don't think.
 What one question would you like answered? Why does high school have to end?
 If you could be someone else for a day, who would you be? Mr. Bork: he's awesome.
 If you could be any animal, which animal would it be? A cheetah because they are fast
 If you could have one wish, what would you wish for? To be able to walk
 If you had a "do over" button, what would you do over? All of high school
 What/who is your favorite musical group? Rascal Flatts
 What will you be famous for in the future? Paralympics
 If you received a million dollars, what would you buy first? My parents a new house

Name: Katelyn Semple
 Parents'/Guardians' names: David and Paula Semple
 Describe yourself using one word: "Odd"
 What is something no one else knows about you? I never have broken a bone.
 What is the biggest obstacle that you have had to overcome? Switching schools
 What is your favorite high school memory? Going to lunch with Nicole and Kaley singing badly on purpose
 What is the best thing about LCHS? The people you get to meet
 What are your pet peeves? My biggest pet peeve is folding papers.
 If you could invent something what would it be? I would invent a phone that doesn't die!
 If you could be any animal, which animal would it be? A Sea Cucumber
 If you could have one wish, what would you wish for? I wish my brother was alive.
 If you had a "do over" button, what would you do over? I would go back and not mess around so much
 What/who is your favorite musician? Nicole Betsworth
 What movie is your all-time favorite? Why? Labyrinth, because it's so cheesy!
 If you received a million dollars, what would you buy first? A pastafarian Church

The Dog Pound

The Dog Pound

Name: Cassidy Pravecek
 Parents'/Guardians' names: Chad and Julie Pravecek
 Plans after graduation: Go to WIT and get my gen Ed's done then go from there
 Describe yourself using one word: "Creative"
 Senior year activities: School Dance Team, Competitive Studio Dance, Competitive Gymnastics
 Where do you see yourself in 10 years? Somewhere warm and thriving
 What is your proudest accomplishment? Winning State and Regionals for gymnastics in the same year.
 What advice would you give to underclassmen? Actually try even though you don't want to
 What is your favorite high school memory? Being on dance team even though there have been major struggles
 What is the best thing about LCHS? Being able to know everyone and knowing you'll have a support system
 If you could change something about LCHS, what would it be? Having block periods
 What are your pet peeves? Slow walkers, and forks/spoons scraping against bowls/plates
 If you could invent something, what would it be? A way for me to get more sleep
 If you could be someone else for a day, who would you be and why? If I could be anyone else for a day I would be Billie Eilish because she is my idol and I could eat takis all day.
 If you could have one wish, what would you wish for? To meet Billie Eilish

Name: Gabby Keunen
 Parents'/Guardians' names: Kyle and Amanda Keunen
 Plans after graduation: Dorcht for Early Childhood Behavioral Education
 Describe yourself using one word: "Gabby"
 Senior year activities: Football and Wrestling cheer, Dance at The Turn Around, and working at Walmart
 Where do you see yourself in 10 years? Working full time helping kids and in a relationship buying a small first home
 What is your proudest accomplishment? Staying committed in the activities I participate in.
 What is something no one else knows about you? I could live off of spicy Ramen Noodles!
 What is the biggest obstacle you have had to overcome? Losing my Great Grandpa (my best friend) and my Great Uncle within 2 months.
 What advice would you give to underclassmen? Do your work on time and don't be a jerk.
 What is your favorite high school memory? Mr. Bork's class freshman year.
 What is the best thing about LCHS? The helpfulness of teachers.
 What are your pet peeves? Hearing people swallow their food, having someone try to talk to me when I have headphones in, and when people take a drink close the drink and then 10 seconds later open it to take a drink again.
 Who else would you be for a day: Any of my grandmas so I can figure out how they can be so caring and helpful.

Name: Isabel Aduddell
 Parents'/Guardians' names: Justin Aduddell and Carrie Feldhacker
 Plans after graduation: I just wanna worry about graduating first, man.
 Describe yourself using one word: "Poor"
 Senior year activities: Basketball Cheer, Large Group Speech, School Newspaper, Editor of the Yearbook, and Set Crew for the Musical
 Where do you see yourself in 10 years? Married maybe, with kids, yikes, that's spook city
 What is your proudest accomplishment? N/A
 What advice would you give to underclassmen? Enjoy it while you can.
 What is your favorite high school memory? Mr. Smalley's drawing class, sophomore year
 What is the best thing about LCHS? The people, I'm glad to have grown up with the class I did
 If you could change something about LCHS, what would it be? I wish we had the funding for more arts classes; it'd be nice to have a photography or fashion course.
 What/who is your favorite musician? Probably Peter Frampton: I have a big ol' Peter-Frampton-shaped hole in my heart, and only he can fill it.
 What movie is your all-time favorite? Why? The Big Lebowski, the movie basically shaped who I am as a person, it's been my favorite since age 4 and it'll be my favorite until I die.

Name: Riley Sailer
 Parents'/Guardians' names: Melanie Sailer and Mike Sailer
 Plans after graduation: Go to BVU for 5 years and then UNI for graduate school to be a forensic psychologist
