

Le Mars Community Schools Fan Update Le Mars vs Spencer 9-11-2020

In order to limit Covid exposure among fans and Le Mars students, Le Mars Community Schools will be limiting spectators for this Friday's varsity football game vs. Spencer. Each school's players, coaches, and cheerleaders will submit 4 names with a max of 4 names per family. Names will be placed on a pass list. The list allows you into the game with an activity pass or \$5. Spencer fans will need to enter the northwest gate (nearest the scoreboard). Le Mars fans will need to enter the northeast gate. Masks are required for all spectators at all times.

The purpose of required masks and limited spectators is to decrease the amount of infection and exposure that is affecting our students and community. Keeping our students in school and participating in activities is our goal. Please help us meet this goal. We ask that people please not congregate outside the fencing as well. Thank you for your cooperation.

The game will be live streamed at the following link: <https://youtu.be/Mdxy3QCST8Y>

Freshmen Game: Pass list fans attending the freshman game that are not on the pass list for the varsity game are required to leave once the freshman game is complete.

The **band** will be performing at halftime. Those parents not on the football pass list will be able to attend the halftime show. Each band member will be allotted 2 wrist bands in order for family to enter the halftime show. These people will be required to leave after the halftime performance.

These previously released spectator guidelines will still be in effect for those on the pass list.

- During all home football games, cloth face masks are **required** to be worn at all times. Masks must cover the nose and mouth with no holes.
- Admission for spectators
 - \$5 for all attending (K-12 age and adults)
- Exact change is highly recommended and spectators will follow social distancing when waiting in line.
- Middle school students must enter with an adult. The adult is accountable for that student if issues arise.
- Elementary students must enter and remain with an adult at all times.
- Student section must remain in the stands. It cannot extend to the front railing.
