3. Old Business:

We continued to finalize plans for the pancake supper and made a decision to use ice cream cups and purchased 300. Things seem organized and ready to go!
Fair parking was discussed and we plan to do one half-day of parking on Wednesday morning of fair week. Sign-ups will be available later in May.
Senior reception plans were discussed and cookies were ordered from Scheitler's. Water and lemonade will also be served. Gifts are ordered for seniors as well.

4. New Business:

We discussed committee chairs for next year and the hope to have those in place soon. We will continue to ask for volunteers to chair the soup and pie supper. Gina Vacura volunteered to continue with the pancake supper but would like a co-chair. We will contact Jenny Hauser to see if she will continue to chair the membership committee.

The retirement reception will be a joint reception with a possible date during the last week of school. More final plans to come.

Christy plans to call for a complete music boosters membership list so we have a record.

Mr. Prichard shared about some upcoming events including a special conductor coming as well as a jazz festival in late April
